

# Jayesh Desai

Computer Science Undergrad — Python & Data Science Enthusiast — AI/ML Aspirant

☎ +91-7567133826 | ✉ jdesai347108@gmail.com | 🔗 linkedin.com/in/jayeshdesai7 | 🌐 github.com/JayeshDesai7  
📍 Ahmedabad, Gujarat

## SUMMARY

Driven Computer Science undergraduate focused on Data Science and AI/ML. Completed a Python internship gaining hands-on experience in core programming and ML fundamentals. Passionate about applying technical skills through real-world projects with a commitment to continuous learning.

## EDUCATION

|                                                                                                                                      |                                              |
|--------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------|

## SKILLS

**Python:** Core Programming, OOP, File Handling, Web Scraping, Data Analysis  
**Data Science:** Pandas, NumPy, Matplotlib, Data Visualization, Exploratory Data Analysis  
**Machine Learning:** TensorFlow, Scikit-learn, Transfer Learning, Model Evaluation, Data Preprocessing  
**AI & NLP:** RAG Pipelines, FAISS Vector Search, LLM Integration (Groq), OpenAI Whisper, Ollama
